## THE ACTIVE SHOOTER WORKSHOP

**Free workshop in Rancho Dominguez**

**\*\* FREE\*\* NO CHARGE TO ATTEND \*\* FREE\*\***

The CFA Team is very proud to be a part of the Southern California local communities and we would like to show our appreciation for all your support and follows. We are hosting a very informative class on a real-world threat in today's day and social climate.

The Active Shooter:

We will be hosting a 1.5 to 2 hour free workshop in the city of Rancho Dominguez (near the 710 and 405 freeways) on Saturday April 1<sup>st</sup> from 1:00pm to 2:30pm.

(...and yes we know that is April Fool's Day... and NO this is NOT a joke. This is a free interactive workshop to those 18 and above).

This will NOT be a hands- on class. Meaning... we will not be training, working out or even have an Active Shooter running around. This is a couple of hours of PPT, Lecture, Tips and Tactics on how to respond to a horrific and violent event. We will cover workplace shootings, public venues, terrorism events along with specific plans and tactics to help you survive.

We have a very nice facility meeting room - however we can only fit 40 people max... so reply to this email and/or call us to reserve your space. In addition to learning some valuable tips and creating your own response plan, we will also have a handful of super cool CFA door prizes.

No sweating, no working out, no costs and no risks. If you have not done any training or planning this year, this is an excellent start.

To save your space for this event you MUST reply to this email and/or call us at [949-310-5549](tel:949-310-5549). We are happy to answer any questions you may have and we're excited to see you in two weeks!

More class announcements to come...

Very Respectfully,

The Boyz of CFA
